

Towne Chapter, D.A.R. of Upper Marlboro compiled a valuable volume of the tombstone inscriptions of Southern Anne Arundel County.

We have continued to subscribe to *The William and Mary Quarterly*, *The American Archivist*, and *The Journal of Southern History*. Our Records Management Division receives *Administrative Management*, *NMA Monograph*, *Records Management Journal* and publications of the National Microfilm Association. All of these are valuable to us for keeping abreast of professional news, events, and developments.

We purchased more books than usual during the 1969-1970 fiscal year. Among these were *A Chronicle of the Mother Church, Quakerism on the Eastern Shore*, *American and British Genealogy and Heraldry*, *A Preliminary Guide to Church Records Repositories*, and *The Columbian Atlas of the World We Live In*. Through exchanges, we received publications of the National Archives, and the archival institutions of such states as Delaware, Hawaii, Illinois, Michigan, North Carolina, Oklahoma, and Tennessee. We also continue to exchange publications with local historical societies.

We received numerous codes on deposit during the year. These included those for Annapolis, Baltimore, Bowie and Edmonston, and for Charles County.
