1827

No. 79.

Archon of the committee on claims, on the memorial of D. H. Bingham, of Fredericktown, in Frederick county, with a resolution for the reimbursement of expenses incurred by him in repairing the barracks at or near said town. Passed March 15
1828

The committee on claims, to whom was referred the memorial of D. H. Bingham, praying remuneration for repairing the barracks at or near Fredericktown—beg leave to report, that by a resolution passed at December session, eighteen hundred and twenty six, number ten, they find the sum of three hundred dollars appropriated for the purpose of repairing said barracks, to be expended under the direction of the said D. H. Bingham; and the said D. H. Bingham having produced to your committee satisfactory evidence of his faithful application of the said sum of three hundred dollars, as also of his having expended, out of his own funds, over and above the appropriation, the additional sum of six hundred and seventy three dollars and twenty one cents, in making the necessary repairs of the said barracks, for which it seems reasonable that he ought to be reimbursed; your committee therefore recommend the adoption of the following resolution:

Resolved, That the treasurer of the Western Shore pay to the said D. H. Bingham the sum of six hundred and seventy three dollars and twenty one cents, the sum expended by the said D. H. Bingham over and above the appropriation made by the aforesaid resolution: *Provided*, That the said D. H. Bingham, before receiving from the treasurer of the Western Shore the sum of money hereby appropriated, he shall give bond to the state of Maryland, with sufficient security, to be approved by the treasurer of the Western shore, for the payment of one hundred dollars in addition to the sum required of him by the before recited resolution, annually, for the term of six years, as a rent for the said premises.
