

been presented to and recommended to him by the State Central Committee of each of said leading political parties in the county in which said assessment district or districts shall respectively be. The County Commissioners for each of the several counties shall appoint one suitable person from each election district in their respective counties, and each of said persons so appointed shall act as assessor in the election district for which he is appointed, and each of said assessors to be appointed, either by the Governor or the County Commissioners, shall be a property owner and a tax-payer, and shall have resided in the county, or city of Baltimore, for which he shall have been appointed for at least two years before his said appointment, and shall have adequate knowledge of the value of property in the assessment district for which he shall be appointed. The two assessors at large appointed for the respective assessment districts, and also the assessor for each of said election districts of the several counties, shall join and act together for the assessment district of which his election district forms a part in valuing and assessing all the property herein required to be valued and assessed in the election district for which he shall be appointed. But no assessor appointed for an election district shall be permitted to join said assessors at large in any other election district than the one for which he shall have been appointed. The said assessors at large shall determine the time when the assessment shall be made in the respective election districts, and shall notify the assessors for the said respective election districts, when and where the assessment shall commence in such election district or districts; and at such time as is so determined on, and the election district assessor notified thereof, it shall be the duty of such election district assessor to join said assessors at large and proceed conjointly with them to make the valuation and assessment herein required to be made. The Governor shall appoint one hundred and ninety-eight persons as assessors in Baltimore city, one to be appointed from each of the one hundred and ninety-eight precincts of said city, as assessors for the respective precincts of said city, which said precinct assessors shall possess the same qualifications of residence, property and character as is prescribed for the assessors in the election districts of the several counties. The said election precinct assessors shall be organized by the Appeal Tax Court of Baltimore city, into groups of three and assigned to such precincts for valuation and assessment of property in said city, by said Appeal Tax Court, as to the said court shall appear best for the interest intended to be secured by the pro-
