

the assessor shall write the words "claimed to be exempt." The said assessors appointed to act in any county of this State, as soon as they shall have completed their work of assessment shall deliver their returns to the County Commissioners of their respective counties.

The assessors appointed for the assessment districts in the city of Baltimore, shall notify their Board of Control and Review, that they have completed their valuation and assessment, and at the same time deliver their said returns to said board. Said assessors shall also return to the County Commissioners of their respective counties and to the several Boards of Control and Review of Baltimore city, all schedules and returns filed with them by all persons residing in their respective assessment districts, and also all books, documents and papers used by them during their proceedings as said assessors, and no payments shall be made to said assessors for services rendered until said documents and books are returned to the proper authorities for receiving the same.

182. It shall be the duty of the said several Boards of County Commissioners acting as Boards of Control and Review, and the said Boards of Control and Review in Baltimore city, to give two weeks' notice by publication prior to the second Tuesday of September, eighteen hundred and ninety-six, or thereafter, and if there be no newspaper published in the county for which any Board of County Commissioners is appointed as such Board of Control and Review, such notice shall be given by notice set up at the court house door in said county, and other public places in said county. Each of said Boards of County Commissioners, acting as Boards of Control and Review, and the Boards of Control and Review for Baltimore city, shall assemble on the second Tuesday in September, eighteen hundred and ninety-six, or in case of time for completing the assessment, shall have been extended by the Governor, as provided by this act, then upon the day on which by his direction said assessment must be returned, and shall continue in session daily thereafter, except on Sunday, from nine o'clock A. M., until four o'clock P. M., and shall, on each of said days, remain in session not less than six hours, and shall receive pay only for the days on which they shall actually be in session. Said several Boards of County Commissioners shall receive as compensation for the services to be rendered under this act, the sum of four dollars per day for each day in which they shall actually be in session, said payments to be made by the county in which their duties are respectively per-
