Ballots, how  
to be  
printed.

49. It shall be the duty of the Board of Supervisors of Elections of each county and of the city of Baltimore to provide ballots for every election for public officers held under this article in which any voters within the county or said city shall participate, and to cause to be printed on the ballot the name of every candidate whose name has been certified to or filed with the proper officers in the manner herein provided for ; but the said supervisors shall not be required to print any name upon a ballot if the same shall not have been certified to them at least six days before election day. Each ballot shall also contain a statement of every constitutional amendment or other question to be submitted to the vote of the people at any election. Ballots other than those printed by the respective Boards of Supervisors of Elections, according to the provisions of this article, shall not be cast or counted in any election, except as hereinafter provided. Nothing in this article contained shall prevent any voter from writing on his ballot and marking in the proper place the name of any person other than those already printed for whom he may desire to vote for any office, and such votes shall be counted the same as if the name of such person had been printed upon the ballot and marked by the voter. Any voter may take with him into the polling place any printed or written memorandum or paper to assist him in marking or preparing his ballot, except a fac-simile of the ballot to be voted. Ballots shall be printed and in possession of the supervisors of elections at least four days before election day, and shall be subject to the inspection of the candidates and their agents. If any mistake be discovered, it shall be the duty of said supervisors to correct the same without delay ; and if said supervisors shall decline or refuse to make correction, then, upon the sworn petition of any qualified voter who would have the right to vote for such candidate at the approaching election, the Circuit Court for the county or one of the judges of the Supreme Bench of Baltimore city may, by order, require said supervisors of elections to correct such error, or to show cause why such error should not be corrected.
