

May change
grade of
road.

SEC. 11. The said company is hereby authorized and empowered from time to time, and at any and all times hereafter, to alter or change the location or grade of any part or parts of its said road or any branch thereof, whenever it shall deem it necessary or expedient, provided the said company in making the said changes or alterations shall not cause its main road to digress from any of the points designated in its charter as to finding the route of said road; and in making such changes or alterations in the location or grade of the said road or its branches the said company shall have and exercise all the powers conferred by this act, for the purpose of originally locating and constructing said road, and they shall pay damages to the owner of the lands over which the new route may be located, to be ascertained as hereinbefore provided.

Use of
streets,
roads, etc.

SEC. 12. If it shall be necessary or expedient for said company to occupy any part of any road, street, lane, alley or public way or ground of any kind, it shall be competent for the municipal or other public officers or authorities owning or having charge or control thereof, and the said company, to agree upon the terms and conditions on which the same may be so occupied, and in case they are unable to agree, the said company may appropriate so much of the same as may be necessary, and in the same manner and on the same terms as is provided for the appropriation of the property of individuals by the provisions of the said charter and of this act.

How roads
to be crossed.

SEC. 13. Whenever, in the construction of said road or roads, it shall be necessary to cross or intersect any established road or way, the said president and directors shall so construct the said road across such established road or way, as not to impede the passage or transportation of persons or property along the same, and when it shall be necessary to pass through the lands of any individual, it shall also be their duty to provide for such individuals, proper wagon-ways across said road or roads from one part of his land to the other.

Changing
site of
road.

SEC. 14. Whenever, in the construction of said road or roads, the said company shall find it necessary or expedient to change the site of any portion of any public road, it shall cause the same to be constructed at its own proper cost and expense on another location, to be selected by and under the authority of the County Commissioners of the county; or if the said County Commissioners shall fail to make such selection within thirty days after being requested to do so by the said company, then on such location as may be selected by the said company, and in as perfect a manner as the original road, provided the
