

To inspect
trees,
plants, etc.

March and the first day of September next succeeding, and he shall notify, in writing, the owner of such nursery, the Governor of this State and the principal of the Agricultural College of the existence of any San Jose scale, yellows, rosette or any other insect or disease which may affect the trees, vines, plants or other stock in such nursery, and also notify the owner thereof, in writing, that he is required on or before a certain day to be named therein, to take such measures as have been shown or proven to be effectual for the destruction of such San Jose scale, yellows, rosette or other disease, to destroy and exterminate the same.

Unlawful to
ship dis-
eased
plants.

52. The owner of such nursery, trees, vines or nursery stock shall, within the time specified in such notice, take such steps for the destruction of such San Jose scale, or other insect or disease as will exterminate the same, and he shall not ship or deliver any trees, plants, vines or other nursery stock affected with such disease or insect, under a penalty of a fine of one dollar for every tree, plant or vine so affected when shipped from such nursery, which fine may be collected by suit by the State's attorney of the county in which such nursery is located, one-half to go to the informer, the balance to be paid to the trustees of said agricultural college.

Failure to
comply
with notice
of ento-
mologist.

53. Whenever it shall happen that the State entomologist shall give the notice heretofore required to the owner of a nursery for the destruction of the insects or diseases mentioned, and the said owner shall fail or neglect to take the measures necessary for the destruction thereof, within the time mentioned in the notice given him, it shall be the duty of the State entomologist to have the proper remedies applied to such nurseries for the destruction of such insects or diseases, and shall employ all necessary assistance, and may enter the premises of the said owner of such nursery for the purpose of treating and exterminating such insects or diseases, and the said owner of such nursery shall be liable for the costs of such proceeding.

Certificate of
seller of
trees, etc.

54. Whenever a nurseryman or seller of trees, plants, vines or other nursery stock, shall ship or deliver any such goods to any purchaser in this State, he shall send on each and every package so shipped or delivered, as well as transmit to the purchaser by mail a written or printed certificate signed by him, that the whole and every part of such stock or goods have been examined by the State or government entomologist, and that the same is entirely free from all San Jose scale,
