

yellow, rosette, and every other insect or disease whatever, and failure to furnish such certificate shall render him liable to the penalty of a fine of one hundred dollars for each and every such shipment or delivery without such certificate.

55. Whenever any nurseryman, fruit grower or agriculturist in this State shall know or have good reason to believe that his trees, plants or vines are affected with San Jose scale, yellow, rosette, or any other insect or disease, he shall have the privilege and it shall be his duty to notify the State entomologist thereof, who shall at once proceed to the premises designated, and examine the same, and suggest and recommend the proper remedies for the destruction of the same, and give all information he can to aid in exterminating such insect or disease, and instruct the owner thereof how to use the remedies he recommends.

Entomologist
to examine
trees, etc.

56. The said State entomologist, when he examines any trees, plants, vines or nursery stock in this State under the provisions of this act, and he finds such trees, plants, vines or nursery stock is free from all San Jose scale, yellow, rosette, or other disease or insect, he is hereby authorized and directed to make out and deliver in writing to the owner of such trees, plants, vines or nursery stock, a certificate that he has examined such trees, plants, vines or nursery stock, and that he finds the same free from all San Jose scale, yellow, rosette, or other disease or insect, and said State entomologist shall also file a similar certificate with the Governor of the State and with the president of the said agricultural college, which certificates shall at all times be subject to public inspection.

Certificate of
State entomologist.

57. The sum of five hundred dollars, annually, or so much thereof as may be necessary, is hereby appropriated for the purpose of paying the expenses of the State entomologist in the performance of his duties, under the provisions of this act, and the Comptroller is hereby directed to issue his warrant upon the Treasurer for the said sum, and the State entomologist shall make report to the Comptroller of the amount expended.

Appropriation.

58. Whenever any trees, plants or vines are shipped into this State from another State, every package thereof shall be plainly labeled on the outside with the name of the consignor, the name of the consignee, the contents, and a certificate showing that the contents have been inspected by a State or Government officer, and that the trees, vines or plants therein contained are free from all San Jose scale, yellow, rosette and

Trees, plants,
etc., re-
ceived from
other States.
