SEC. 5. *And be it enacted*, That it shall be the duty of each Road Commissioner to personally inspect at least once in every three months, the condition of the roads in his district and to make a full report to the Board of Road Commissioners of the condition of the roads of his district, the repairs and improvement necessary or desirable, and he shall make an estimate, or cause an estimate to be made, of the probable expense of such repairs and improvements and report the same to the Board of Road Commissioners. Each commissioner shall lay off the roads in his district, in such number of miles as he may, in his judgment, think best, and shall divide up said roads into sections, which he shall designate as section A, section B, and so on, until all the sections in said district have been designated. He shall then proceed to examine carefully each section, so as to ascertain what will be a fair compensation for the working of the same, all of which shall be reported to the said Board of Road Commissioners, and a vote of the board shall be taken on all propositions to repair, improve, or construct any of the roads in said county, and if the vote of the Road Commissioners be favorable thereto, the matter shall be laid before the Board of County Commissioners for their endorsement. All work upon the county roads, which shall thus be determined upon shall be given out by contract, and the Road Commissioners, each in his respective district, shall advertise for proposals to do said work, which said advertisements shall be published at the expense of the county, in the newspapers doing the county printing, and the contract shall be awarded by the Road Com.
