

"Washington County," sub-title "Hagerstown," to follow section 205 F of said Article twenty-two, and to be known and designated as sections 205 G, 205 H, 205 I, 205 J and 205 K of said Article twenty-two, and to read as follows:

205 G. The Mayor and Council of Hagerstown are authorized and empowered to borrow a sum of money not exceeding seven thousand dollars, on the faith and credit of the town, as hereinafter provided, which shall be known and designated as "Series 2 of Drainage Bonds," and the money arising from their sale shall be applied and used exclusively for the following drains: on drain beginning at the alley running west from Foundry street, between Washington and Franklin streets, and running northward across Franklin and George streets to Church street; thence eastward to the west end drain, a distance of fourteen hundred feet; the drain beginning at the property of Walter Hutchings, on West Washington, and running thence in a northerly direction three hundred and thirty-five feet; a drain to connect with the north end drain where it crosses Franklin street, to extend westward with said street the distance of four hundred feet; to complete the north end drain to its terminus at Boward's Lime Kilns, a distance of nine hundred feet; provided, that to each drain hereinbefore named and designated, except the Franklin street drain to which the sum of two dollars and fifty cents per linear foot is appropriated, the sum of two dollars and twenty-one cents per linear foot according to the distance hereinbefore set forth, shall be appropriated to be applied and used exclusively upon each of the hereinbefore named drains, upon the basis of the lengths hereinbefore set forth; provided, that if any drain hereinbefore named and designated shall be fully constructed at a cost of less than said sum of two dollars and twenty-one cents per linear foot, or in the Franklin street drain at a cost less than two dollars and fifty cents per linear foot, then the unexpended balance or surplus from said drain shall be appropriated to the completion of any drain hereinbefore named and designated, if there shall be found to be a deficiency in the sum appropriated for the completion of any said drains, and provided further, that if, after the completion of the drains provided for in section 205 G, there shall remain any unexpended balance of money arising from the proceeds of the sale of said bonds, said balance shall be placed to the credit of the account of grades, drains, cleaning and lime to be expended upon any other drain of Hagerstown heretofore constructed upon the order of the Mayor and Council.

May borrow money to construct drains.
