

CHAP. 368. first day of April and the fifteenth day of June, both inclusive, in each and every year, in any manner whatsoever, nor at any time, save only with rod, line and single hook, baited with natural bait, or tied with the artificial fly, or with a spoon or spinner, each equipped with a single hook, or of any size less than eight inches, measuring in the case of each fish from the tip of the nose to the end of the caudal fin or tail, under a penalty of five dollars (\$5.00) for each fish so unlawfully caught, taken or killed.

Unlawful to catch any white or yellow perch less than certain size.

78 B. No person shall catch or in any manner take or kill, in said waters, at any time, any white perch of any size less than seven inches in length, or any yellow perch of any size less than eight inches in length, or any pike less than fourteen inches in length, or any rock, otherwise known as striped bass, or any taylor of any size less than ten inches in length, measuring, in the case of each fish, from the tip of the nose to the end of the caudal fin or tail.

Streams not to be obstructed.

78 D. No person shall, in this State, in any manner or at any time, so obstruct any stream above where the tide ebbs and flows in which trout or other fish have been placed by the State or natural government, so that said fish shall not have free access up and down said stream, under a penalty of not less than ten dollars (\$10) nor more than twenty-five dollars (\$25) for every such offense.

Fish ladders to be made and kept in repair.

78 E. Every owner of a dam or dams upon any of the said waters of this State is hereby required to make and keep in repair, or to cause to be made and kept in repair, and placed upon said dam or dams at least one fish ladder of such a character as to enable fish to have a free course up and down said waters at all times, under a penalty of not less than twenty-five dollars (\$25) nor more than one hundred dollars (\$100) for each and every offense.

Unlawful to throw dynamite or other explosive substance, etc., in water.

78 F. No person shall place, throw or make use of in any of said waters, except for *bona fide* engineering, milling or mining purposes, any dynamite or other explosive substance, or any lime, poison, acid, saw dust, shavings or any other substance whatsoever deleterious to or destructive of fish life, under a penalty of not less than one hundred dollars (\$100) nor more than three hundred dollars (\$300), or imprisonment in the penitentiary for not less than one year nor more than three years, or be both fined and imprisoned in the discretion of the Court; provided, however, that nothing in this section shall apply to saw mills now in operation until October 1, 1903, unless said saw mill or mills shall in the meantime change its or their location; and further provided, that any saw mill or mills moving from its or their present location, shall be
