

meeting of the stockholders for the election of directors, and also for the declaring of such dividends out of the profits of the said company as the board of directors may deem proper ; providing, that whenever the affairs of the said company, or the interests of said company or its stockholders may in the judgment of the president or board of directors be in jeopardy or peril, that said president or a majority of said directors may call a meeting of stockholders, and the holders of each share shall have one vote for each and every share held by him, her or them, and the majority vote of all the voters of stock so cast shall control the such aforementioned question as may arise, and if need be remove such directors and elect others in their place in the discretion of the majority of said stockholders at such meetings.

CHAP. 401.

SEC. 5. *And be it enacted*, That the said company shall have power to construct, equip and operate a railroad impelled by electricity, steam or other power as the directors may determine, from some point in or near Frederick, in Frederick county, through or near the village of Legore, to some point in or near Emmitsburg in said county, and power is hereby given said company to build the whole or any part of said railroad so authorized as its board of directors may deem expedient, with like power to construct such branch lines extending through Frederick county as the said board of directors may deem necessary and advisable, and to handle passengers, parcels, packages and general freight over said railroad, and to charge therefor such rates and compensation as its board of directors may from time to time determine.

Authority to
construct,
equip
and operate
railroad
by electricity,
etc.

SEC. 6. *And be it enacted*, That the railroads to be so constructed shall be of single or double track, and shall have as many sets of tracks, switches and turnouts and branches as the said board of directors may deem necessary, or the majority of them or their agents may be caused to be made, or contract with others for making said railroad bed, tracks, switches, turnouts, trolleys, or any part thereof, including building bridges and dams, necessary warehouses, depots and stations, and all work whatever which may be necessary to the proper completion and working of said railroad and branches, and may acquire any land, earth, timber, sand, stone, gravel or other materials required for any of the purposes aforesaid, by an agreement with the owner or owners of any land, earth, timber, stone, gravel or other materials or any improvements for the construction or repair or operation of said road or its works, for the purchase or use and occupation of the same ; and in case they do not agree, or if the owner or owners or any of them be a *feme covert*, under age or *non compos*

May be single
or double
tracks, etc.
