OHAP. 521.

Section 190. The Road Commissioners so appointed are hereby required to adopt such system for the repairs and improvements of the roads in their respective districts as said board may deem best, having first called for and received from the Baltimore County Roads Engineer, hereafter mentioned, a written report stating what system he advises in said district; provided, however, that no Road Commissioner shall have any pecuniary interest in any contract, and shall furnish no team for any work; and provided further, that such system shall require at least two-thirds of the road tax to be expended in macadamizing the roads with stone or other hard material; every Road Commissioner, when presenting for payment any bill for the hire of horses and carts or wagons, shall append thereto an affidavit that he is not interested, directly or indirectly, in the payment of the amounts charged for such hire of horses and carts or wagons, or for any material furnished.

System to be adopted for the repairs, etc., of roads,

Section 193. Each Road Commissioner shall be entitled to one hundred and twenty-five dollars per annum to cover his personal expenses, and such other compensation as the County Commissioners may, by order in writing allow to said Road Commissioners for services actually rendered by them in the personal supervision of construction and repairs of county roads and bridges in their respective sub-districts, not exceeding one dollar and fifty cents per diem; provided, however, that such additional compensation shall not be allowed for more than twenty days in any one month, nor for more than one hundred and fifty days in any calendar year, and the County Commissioners are authorized to allow any person who may be employed as examiner of new roads, or of roads to be altered, or of bridges to be repaired or built, a per diem not to exceed two dollars for each day so employed.

Compensation allowed.

Approved April 8, 1902.
