

No. 2.

Joint Resolution to provide for the appointment of a commission of the General Assembly of Maryland to confer with a like commission appointed by the State of Pennsylvania for the purpose of taking into consideration the passage of laws for the propagation and protection of food fish in the waters of the Susquehanna River and the tributaries thereof.

WHEREAS, The Commonwealth of Pennsylvania has, by a Joint Resolution of its Senate and House of Representatives, appointed a commission to confer with the General Assembly of the State of Maryland and to ask the said General Assembly of Maryland to appoint a commission to confer with the said commission appointed on the part of the Commonwealth of Pennsylvania to take into consideration the propagation and protection of the food fish in the Susquehanna river, a river flowing through the territory of the said two States, and to report to the General Assembly of the Commonwealth of Pennsylvania at the next sitting of the General Assembly of the Commonwealth of Pennsylvania and to the General Assembly of Maryland at its present session and recommend such laws as in their judgment may best serve the interests of the said two States for the propagation and protection of food fish in the waters of the Susquehanna river and its tributaries ; now, therefore,

Be it resolved by the General Assembly of Maryland, That a commission to consist of three members on the part of the Senate and five members on the part of the House of Delegates, of which commission the preceding officers of the two houses shall also be *ex officio* members, who, in connection with the two fish commissioners of the State of Maryland, shall be constituted a commission to confer with the commission already appointed on the part of the Commonwealth of Pennsylvania and report to the Legislatures of the respective States such laws as in their judgment would be proper to be enacted by the said two States to protect the interests of the said two States in the propagation and preservation of the food fishes in the waters of the Susquehanna river.

And be it enacted, That this Joint Resolution shall take effect from the date of its passage.
