

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That Section 80 of Article 20 of the Code of Public Local Laws of Maryland, title "Somerset County," sub-title "Crisfield," be and the same is hereby repealed and re-enacted, so as to read as follows :

CHAP. 215

Repeal and re-enact.

Section 80. The commissioners of Crisfield shall have authority to require all property holders on any street in the town of Crisfield to make sidewalks in front of their premises and to keep the same in repair when such premises front on any public street of the town ; they may prescribe the proper grade and require the curbing to be set in accordance therewith, and may prescribe such material to be used as shall seem a safe, solid, and convenient footing to the public ; and if any owner shall refuse or neglect to have such sidewalk in front of his premises within sixty days from the date of notification by said commissioners, the said commissioners may order the same to be done at the expense of the owners of the different lots in front of which the paving shall be done and the cost thereof shall be a lien against the abutting property and shall be collected as other town taxes are collected, or by an action of debt in the name of said commissioners, and any judgment obtained in such case shall be a preferred lien on said property.

Authority given commissioners.

SEC. 2. *And be it enacted*, That this Act shall take effect from the date of its passage.

Approved March 30, 1906.

CHAPTER 216.

AN ACT to authorize and empower the Mayor and Common Council of Union Bridge, Carroll County, Maryland, to borrow money on the credit of said town of Union Bridge, for the purpose of purchasing, constructing or erecting an Electric Light and Power Plant ; to issue bonds for the payment of the same, and to levy taxes on the assessable property of said town of Union Bridge ; to redeem said bonds and pay the interest thereon.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That for the purpose of constructing, erecting or purchasing and maintaining an electric light and power plant,
