

directors may, in their discretion, remit such forfeiture or recover in the name of the company such instalments by suit or action at law or in any other way, and upon such terms as they may deem proper.

CHAP. 246

Section 8. *And be it enacted*, That the company hereby incorporated shall have the power to make, construct, operate and maintain double or single railway tracks from such connections with the tracks of other railway companies in Baltimore, Harford, Howard, Carroll, Frederick, Anne Arundel and Prince George's counties, and in Baltimore city, as it may agree upon with such other companies, and from all such points of connections may build, operate and maintain in said counties and city such railways as it may deem expedient for the transportation of passengers, merchandise and produce in cars propelled by electricity in any form, or other improved motive power, other than steam, with the right to erect and maintain all such poles and wires and appurtenances as may be necessary, and to build, operate and maintain car barns, shops and power plants, either on its own lines or on the lines of other railway companies with which it may connect, directly or indirectly, for the use of its cars or the cars using the tracks of the companies with which it may connect, directly or indirectly, and to build, operate and maintain on its own railway lines and on the railway lines of other companies with which it may connect, either directly or indirectly, stations, excursion resorts, buildings and other structures, with power to lease any or all of the said property mentioned in this section, upon such terms and for such periods as may be agreed upon, without any right of redemption to the lessee, unless the same is specifically given in the contract of lease, or to sell any or all of said property, and to build the necessary switches and connecting tracks from its tracks or the tracks of such other companies with said car barns, shops, power plants, stations, excursion resorts, buildings and other structures, and to acquire, by purchase, lease or condemnation proceedings, the necessary property for all the uses and purposes herein set forth, and to acquire cars and other operating apparatus for its own use or for the purpose of leasing or selling the same to other railway companies with whose lines it may connect, directly or indirectly, and to acquire rails, ties and other tracks and

May construct  
operate and  
maintain  
tracks, etc.
