

INFECTIOUS DISEASES.

CHAP. 262

To authorize the removal or confinement of persons having infectious or pestilential diseases. General powers.

RINGING OF BELLS, WHISTLES, ETC.

To regulate the ringing of bells, crying of goods or sounding of whistles.

WATER SUPPLY.

To pass all ordinances and orders, and to expend such sums of money as may be necessary, within the limitations herein provided, for the protection, maintenance, preservation of the water supply of the city and the prevention of the pollution thereof.

RECORD OF BIRTHS AND DEATHS.

To regulate and require reports and records of births and deaths and to make such requirements as may be deemed necessary to prevent the spread of infectious and contagious diseases.

INSPECTION OF MEATS, ETC.

To authorize and require the inspection and condemnation of unwholesome, and require the sale of meats, poultry, fish, butter, oleomargarine, cheese, lard, vegetables and all other food or provisions.

INSPECTION OF STEAM BOILERS.

To authorize and require the inspection and licensing of steam boilers and elevators, and to prohibit their use, when unsafe, or dangerous or without license.

FIRE LIMITS AND BUILDING PERMITS.

To define the fire limits in said city, and the character of buildings which are prohibited to be erected within such limits, and to prohibit the erection of buildings in said city without a license first obtained therefor, and to regulate the construction of buildings to prevent the spread of fire.

CONDEMNATION OF BUILDINGS.

To authorize and require the inspection of buildings and structures erected to be erected or in the process of erection; to authorize a license therefor to be revoked and the condemnation thereof, in whole or part when dangerous or insecure in the opinion of the building committee or such party as
