

CHAP. 370

such assessment or any part thereof remaining unpaid, it shall be lawful for the city to provide by ordinance for the levy and collection in such manner as it may deem proper of a tax upon all property binding on any street, lane or alley, or part thereof, which may have been so improved to the extent that such property shall have been specially benefited by such improvement; provided, that no property upon which the assessment originally made for its share of the cost of such improvement shall have been paid shall be again assessed, and that reasonable notice and an opportunity to be heard shall be given to all persons interested before the final ascertainment of the amount of tax to be paid by any such property; to provide by ordinance for regulating the use of the streets, highways, roads, public places and sidewalks by foot passengers, animals, vehicles, motor cycles and automobiles, and prevent encroachment thereon and obstruction of the same; to regulating the numbering of houses, lots, streets and avenues, and the naming of streets, avenues and public places; to regulate the use of sidewalks for the use of signs, sign posts, awnings, awning posts, horse troughs, telegraph posts, trolley poles, electric light poles, telephone poles, telegraph wires, electric light wires, telephone wires, and for any and all other purposes; to prohibit the erection of any posts, poles or wires, and to compel the removal of any posts, poles, wires or trees, in, over or above any street, sidewalk or highway; to regulate the use of the streets, lanes or alleys in said city for gas or other pipes, telegraph, telephone, electric light or other wires and poles in, under, over and upon the same, and to require all such wires to be placed under ground after such reasonable notice as it may prescribe.

Regulate the  
use of  
streets, etc.

146 B. The Mayor and Council of Salisbury shall have full power and authority to provide for constructing, opening, enlarging or straightening any sewer, drain, public or private, through any street, lane, alley or highway of said city or any private property; to pave and keep in repair all necessary sewers and drains and to pass regulations necessary for the preservation of the same; and to regulate the charge for any residence or other building using sewer or drain constructed and owned by the said city, and to authorize any person appointed by said Mayor and Council of Salisbury to enter upon the lands, grounds or possessions of
