

to furnish such quantities of electric light, electric heat and electric power, or any of them, as may be desired or required, at any point in said counties, and to contract for and furnish electricity for light for lighting streets, roads, public highways and public or private buildings in said counties, and for motive power and other purposes; and said corporation is hereby authorized and empowered, by and with the consent of the authorities of any city or town in said counties, or with the County Commissioners of said counties, respectively, to lay, purchase, construct or build lines, conductors, conduits, and erect poles and string wires along, upon, under or over the public highways, roadways and streets, wheresoever located, in such towns, or city or county, as the case may be, and may acquire, own and hold all lands and property necessary for the uses, business and purposes of said company.

CHAP. 463

Furnish light  
for lighting  
streets,  
roads, etc.

3. *And be it further enacted,* That said company be and is authorized and empowered to construct, maintain and operate a railway or railways, within the limits of said counties, with the proper and necessary switches, turnouts and any and all mechanical contrivances, devices and appliances suitable to operate either a single or double-track railway or railways, and to run thereon cars and carriages for both freight and passenger traffic drawn or propelled by steam, electric or other motive power; and said company shall have power and is hereby authorized to charge such reasonable rates for transportation of passengers and freight on such railway or railways, and any and all branches thereof, as the board of directors may from time to time determine; and said company shall also have the power and right, as hereby authorized, to acquire, hold, manage, sell, grant, assign, convey or otherwise dispose of and deal in real estate and personal property of any description whatever, and to engage in any manufacturing, mercantile, commercial or other business or enterprise, and to acquire, own, open, maintain, equip and operate mines and quarries in said counties and sell and dispose of the product or products therefrom.

Authorized to  
construct,  
maintain  
and operate  
a railway.

4. *And be it enacted,* That said company be and is hereby authorized to enter upon, grade, occupy and use any public road, street, bridge or highway in said counties, or any village or incorporated town or city therein for the pur-
