

which he or she may reside, or the clerk of the Circuit Court of Baltimore city, if the applicant shall reside in Baltimore city, and such application shall be in writing, signed by the applicant, who shall state, under oath, that he or she was in fact a practitioner of medicine or surgery, in the State of Maryland, on or before the first day of June, 1892; and thereupon it shall be the duty of said clerk to register such application and the name of such applicant, as physician or surgeon, or both, in a book to be kept for such purpose, and a certified copy of such entry of registration, under the seal of the court, shall be legal evidence of such registration in all of the courts of this State.

55 All persons who have commenced to practice medicine or surgery in the State of Maryland since the first day of June, 1892, or who shall hereafter commence to practice medicine or surgery in this State, shall not be entitled to be registered in the registry of physicians and surgeons, as required by law, except upon filing with the clerk of the Circuit Court of the county or city in which he or she shall reside, a license from one of the duly constituted boards of medical examiners of this State, in accordance with the terms of sections 47 and 48 of this article, except that physicians and surgeons who have come into this State since said first day of June, 1892, or who shall hereafter come into this State to follow the practice of medicine and surgery, may receive a license, which shall entitle them to be registered as physicians and surgeons, in accordance with law, upon application to one of the duly constituted boards of medical examiners, in accordance with the provisions of section 56 of this act.

Applicant to file license before entitled to registration.

56. Physicians and surgeons of good moral and professional standing, who have come into this State with intent to follow the practice of medicine and surgery within this State, since the first day of June, 1892, or who shall hereafter come into this State, being graduates of a medical college or university of good standing, and who have been practitioners of medicine or surgery for more than ten years prior to the date of the application, may make application to the president of one of the boards of medical examiners of this State, which application shall be under oath, and shall state where and how long said applicant has been engaged in the practice of medicine and surgery, and from what medical college, university or other institution of learning he or she has graduated; and thereupon the said board of medical examiners shall have the

Provisions as to non-resident physicians.
