

sums of not less than fifty dollars nor more than five hundred dollars each, sealed with the corporate seal, signed by the Burgess and countersigned by the clerk of the Board of Commissioners of said town, each of said bonds to be payable thirty years after date, to bearer, redeemable, however, at the pleasure of the said Burgess and Commissioners at any time after the expiration of ten years from their respective dates, and to bear interest not exceeding five per cent. per annum, payable annually by the Burgess of said municipal corporation on presentation of interest coupons to be issued with the said bonds.

SEC. 2. *And be it enacted*, That the proceeds realized from the issue and sale of said bonds shall be applied to the payment of the balance of the indebtedness incurred in the construction of the said water works. Proceeds,
how to be
applied.

SEC. 3. *And be it enacted*, That this act shall take effect Effective. from the date of its passage.

Approved February 21st, 1894.

CHAPTER 32.

AN ACT to provide for the building of a school house for colored children in Prince George's County.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That the Board of County School Commissioners for Prince George's county be and they are hereby authorized and directed, out of the surplus funds which they now have in hand for the use of the colored schools for said county, to erect and build, or cause to be erected and built, a new two-room school house on the site and instead of school house number one, district number fourteen, for colored children, which shall be of sufficient size and dimensions to accommodate one hundred pupils. The manner of procedure of said Board of County School Commissioners shall be as follows: They shall determine on the dimensions and style of said building, and the materials to be used therein, after which they shall advertise for sealed bids, and in said advertisement shall state when and where said bids shall be publicly opened, and upon the opening thereof, shall award the contract for the construction and erection thereof to the lowest responsible To build
school house.
