

CHAPTER 559.

AN ACT to authorize the Board of County Commissioners of Worcester County to appropriate of the money which they may receive for year eighteen hundred and ninety-three, from the issuance of tongers' license in said county, the sum of seventy dollars and ninety-one cents to pay and reimburse Francis T. Taylor, Levin J. Houston and William E. Bruner, for certain supplies and advances made in the year eighteen hundred and ninety-two, to persons engaged in cutting a canal connecting the Sinepuxent bay with the Atlantic Ocean, at or near a point where Green Run inlet formerly was.

WHEREAS, The closing up of Green Run inlet has very materially affected the growing and cultivating of oysters in Sinepuxent bay, and an unsuccessful effort was made in the year eighteen hundred and ninety-two, to again connect said bay with the Atlantic Ocean at or near said inlet, and to assist said enterprise, certain moneys in the hands of Worcester county were, by chapter 541 of the Acts of the General Assembly of Maryland for the year 1892, appropriated for said purpose, which moneys so applied were insufficient for the full payment of the expenses connected with the same, there being the sum of seventy dollars and ninety-one cents now owing to Francis T. Taylor, Levin J. Houston and William E. Bruner on account of said inlet enterprise. Preamble
