SEC. 2. *And be it further enacted,* That every taxpayer of said district shall have the privilege of working out this special tax by hauling stones or other suitable hard materials upon the county roads nearest their farms or residences, at such price per perch for the same as may be fixed by the road commissioners for said district, subject to the approval of the county commissioners; and said road commissioners, immediately after the levy in each year, shall, subject to the approval of the county commissioners of Baltimore county, fix the uniform price for said materials as far as practicable, and whenever they are satisfied that any taxpayer has fully worked out this special road tax they shall cause the chairman of the road commissioners for said district to give such taxpayer a certificate to that effect, which shall be received by the treasurer and collector of taxes for Baltimore county as so much money in lieu of said taxes.

SEC. 3. *And be it enacted,* That this act shall take effect from the date of its passage.
