

tion, and may purchase and hold real, personal and mixed property for the benefit of said corporation; provided, however, that the burgess and commissioners shall not purchase or acquire any real estate unless the said burgess and commissioners shall first provide by ordinance for said purchase, and the mode and manner of payment therefor; and all ordinances for the purchase of real estate shall provide for the submission of the question of said purchase to the qualified voters of the town at some regular election for the election of burgess, assistant burgess, and three commissioners of said town; such ordinance, before being submitted to the qualified voters of the town, shall be posted in at least three of the public places of said town for four weeks previous to its submission to the qualified voters of said town; and no ordinance for the purchase of real estate shall be of any force or validity unless it shall receive a majority of the votes cast at such election.

Incorporated.

SEC. 296. The government of said town shall be vested in a burgess, assistant burgess, and three commissioners, to be elected as hereafter provided.

Government.

SEC. 297. The taxable limits of the town of Smithsburg are hereby declared to be as follows: Beginning on "Meisner's Hill," on the public road leading from Smithsburg to Leitersburg, at a point on the west side of said road, the same being the northeast corner of the lot of ground conveyed by Samuel Meisner to Edward Clark, and the eastern terminus of the line dividing said lot of ground from the land recently purchased by said Edward Clark, from H. W. Lyday and running, thence south seventy-three and one-half degrees east, one hundred and eighteen and one-half perches; south eighteen and one-half degrees east, twenty-one and sixty-four-hundredths perches; south sixteen and three-fourth degrees east, fifty-six and twelve-hundredths perches south sixty-two degrees west, eighty-seven and sixteen-hundredths perches; north seventy-two and one-half degrees west, fifty-one and twenty-eight hundredths perches; thence north thirty-eight and three-fourths degrees west, thirty-three and
