

Secure a supply of water.

said bonds out of the annual taxes levied for corporate purposes, and shall likewise annually set apart therefrom the sum of two hundred dollars, to be invested in a sinking fund to liquidate said bonded loan at maturity; and they shall invest said sum authorized to be set apart as a sinking fund annually in the manner provided in section seventy-two of the amended charter of said town to which this act is a supplement, and shall be subject likewise to the penalties mentioned in said section seventy-two; the money arising from the sale of said bonds shall be expended by said commissioners of Cambridge in securing an ample supply of water for all town purposes, either by subscription to the capital stock of some company hereafter to be organized, or for sinking artesian or surface wells or tanks, or in such other manner as the commissioners may deem best to secure a water supply in said town. The commissioners of Cambridge be and they are hereby authorized and directed to levy annually upon the taxable property of Cambridge, as soon as water works are contracted for to supply the said town with water, a tax, in addition to those already allowed by law, of five cents on the one hundred dollars, and the money arising from said tax shall be set apart and especially dedicated for the purpose of furnishing the corporation of Cambridge with water to be supplied by water works that shall hereafter be erected.

Effective.

SEC. 2. *And be it enacted*, That this act shall take effect from the date of its passage

Approved April 4, 1888.

Chapter 423.

AN ACT to incorporate the Baltimore county water company.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That James G. Wilson, Henry C. Turnbull, Jr., David G. McIntosh, Henry L. Bowen, John T. Ensor, J. Maurice Watkins and
