

which passes through lands supposed to be owned by George H. Williams ; that Joshua M. Friend shall have charge of the remainder of said road, and that each shall on or before the first day of September, A. D. eighteen hundred and eighty-nine, render a specific account to the county commissioners of their expenditures upon said road, and shall return their vouchers for such expenditures; and said superintendents shall each be allowed as an item of such expense the sum of two dollars per day for their services whilst engaged upon said road.

Render a specific account.

SEC. 5. *And be it enacted*, That should either of said superintendents fail to qualify as required, or should either resign or die, his duties shall devolve upon the other; and should both fail to qualify, resign or die, the county commissioners shall appoint two superintendents to take their places with like power obligatory.

Failure to qualify.

SEC. 6. *And be it enacted*, That all labor employed upon said road by said superintendents shall be paid at the rate allowed by road supervisors on other county roads in said county.

Labor—how paid.

SEC. 7. *And be it enacted*, That this act shall take effect from the date of its passage.

Effective.

Approved April 5, 1888.
