

Board of Road Commissioners shall require the contractor or other person whose duty it shall be to properly construct such roads, or remedy the cause of such complaint, or perform and do such work as shall be required and stated in such notice; or shall order such road to be immediately placed in good and passable repair in the manner provided in the contract, and the provisions of this section shall apply as well to any bridge or culvert in said county as to any road therein. Such written notice shall be served upon or sent to the contractor describing the locality where such defect exists, and requiring such contractor to repair or remedy such defect complained of within five days from the receipt of such notice, sent to his post office address; and every such contractor wilfully failing to comply with the requirements of such notice be guilty of a misdemeanor, and shall for every offense be subject to a fine of five dollars and costs.

203 q. No part of the funds arising from district road taxes shall be used in repairing or rebuilding bridges or culverts or approaches thereto exceeding twenty feet span. All bridges and culverts exceeding such span or costing over five hundred dollars shall be under the exclusive control of the County Commissioners, who shall keep the same in repair and rebuild when necessary; and the funds for that purpose shall be raised and included in the general road fund, and no bridge, the cost of construction or repair of which exceeds five hundred dollars, must be constructed or repaired, except on the order of the Board of County Commissioners; and when ordered to be constructed or repaired, it shall be done by contract. But before any contract shall be let, as provided herein, the County Commissioners shall advertise for bids therefor, at least once a week for two successive weeks, in a newspaper of general circulation in the county, and the contract shall then be awarded to the lowest responsible bidder, who shall, before entering upon the performance of the work, execute and deliver to the Commissioners a bond, with two or more sureties, to be approved by the Commissioners, in a penalty not less than twice the amount for which the contract is awarded.

How funds shall be used.

203 r. If the property owner or owners along any road in any district of the county which has not been permanently improved, or is not undergoing improvement under the provisions of this sub-title, shall desire any section of the road in such district improved, and are willing to contribute the whole expense of labor of such improvement, outside of cost of material, the Board of District Road Commissioners of such
