

country saw and grist mills, threshing machines and other machinery of a similar character, nor to marine engineers engaged in steamboats, ships and other vessels run by steam, nor to those engaged as locomotive engineers of any steam railway company. And in the event of any charge being made to said board, of any engineer who may hold a certificate from them, of being intoxicated, while in charge of an engine or boiler, or of the neglect of duty on the part of such engineer or engineers, it shall be the duty of said board to immediately hear such charge, and if sustained, annul such certificate. The certificate granted to the respective applicants must be framed and kept in a conspicuous place at such place as such persons may be respectively at work. Any person violating the provisions of this sub-division of this Article shall be deemed guilty of a misdemeanor, and, upon trial and conviction before a Justice of the Peace, shall be fined not less than twenty-five dollars nor more than fifty dollars, one-half of which shall be paid the informer and the balance to the State.

**420.** Said Board of Examining Engineers shall meet at their office in the City of Baltimore for the purpose of examining applicants at least once in every week, and at a specified hour and day, and shall sit until all applicants shall be examined, and in the event of inability to examine all the applicants on the regular day of meeting, they shall continue their sessions for each successive day until the same shall be completed. They shall visit and inspect the running and management of all steam plants wherein the engineers are required to be examined as hereinbefore provided, not less than once every six months, and in the event of their finding on such examination that the engineer or engineers in charge of such plant or machinery are not running and managing the same with proper skill and care, they shall report the same to the State Board of Boiler Inspectors for their action; and said Board of Examining Engineers are hereby invested with power and authority to enter all such premises and make the examination herein provided for; and any owner of any such premises who shall refuse to allow them to enter and make such examination shall be deemed guilty of a misdemeanor and be punishable upon trial and conviction, as provided in the preceding section.
