

vided. To prevent the deposit of any unwholesome substance, either on private or public property; to compel its removal; to designated points, and to require slops, garbage, ashes and other waste or unwholesome material to be removed to designated points, or to require the occupants of premises to place them conveniently for removal. For the purpose of this paragraph, jurisdiction is given such city two miles from the corporate limits. To compel the occupants of any premises, buildings or outhouses situated in said city, when the same have become filthy or unwholesome, to abate or cleanse the same, and to authorize the same to be done by the proper officers and to assess the expense thereof against such property. To regulate or prevent the storage of gunpowder, tar, pitch, resin, coal oil, benzine, turpentine, hemp, cotton, nitroglycerine, dynamite, giant powder, petroleum, gasoline or gas, or any product thereof, or any other explosive or combustible material, or any material which may seem to be dangerous. To regulate or prohibit the interment of bodies, and to authorize the removal of bodies now or hereafter buried, or of cemeteries to some other proper place to establish quarantined regulations. To authorize the removal or confinement of persons having infectious or pestilential diseases. To regulate or prohibit the ringing of bells, crying of goods or sounding of steam whistles. To pass all ordinances and orders, and to expend such sums of money as may be necessary within the limitation herein provided for the protection, maintenance and preservation of the water supply of the city, and the prevention of the pollution thereof. To direct the location and regulate the management of all public markets and market places, whether established by the city or by private individuals; to prevent the offenses of regrating and forestalling; to regulate and require reports and records of births and deaths, and to make such requirements as may be deemed necessary to prevent the spread of contagious or infectious diseases; to authorize and require the inspection and condemnation, if unwholesome, and to regulate the sale of meats, poultry, fish, butter, oleomargarine, cheese, lard, vegetables, and all other food or provisions; to regulate the selling, weighing or measuring of hay, wood, coal, coke and all other articles sold by weight or measure, and to provide for their inspection and sealing; to authorize and require the inspection and licensing of steam boilers and elevators, and to prohibit their use when unsafe or dangerous, or without license; to define fire limits in such city and the character of buildings which are forbidden to be erected within such limits and to prohibit the erection of

Power given
city council.
