

inafter provided for, and that said board of trustees be invested with all powers necessary to carry into effect the provisions of this Act; but no expenses shall be incurred beyond the amount appropriated.

54. That it shall be the duty of said State Entomologist and State Pathologist, their assistants and employes, under the control of Trustees of said College, to seek out and suppress all pernicious insect pests and contagious diseases hereinbefore mentioned as destructive to horticultural and agricultural interests of this State, and conduct experiments when necessary to accomplish that end.

Duty of
officers.

55. That in order to accomplish the purposes of this Act, the State Entomologist and the State Pathologist, their assistants and employes, or any other officer, assistant or employe appointed by said board of trustees, are hereby authorized to enter upon any public premises, parks, cemeteries or other premises, or upon any land of any firm, corporation or private individual within the State of Maryland for the purpose of inspecting, destroying, treating or experimenting upon the insects and diseases aforesaid. Should any insect or disease found by said State Entomologist or State Pathologist, or by any other officer appointed by said trustees, be, in their opinion, capable of eradication without the destruction of the tree or plant, then said officers are to treat or cause to be treated with proper remedies and appliances all such trees, vines, shrubs, plants and grains. Further, said State officers shall treat or have treated, in order to prevent the dissemination of the aforesaid insects or diseases, any and all suspicious trees, vines, shrubs, plants and grains found to be in a dangerous proximity to those infested as aforesaid.

Authority
given.

56. That should any of the officers aforesaid, through their assistants and employes, or by any notification whatsoever, find any fruit trees, vines, shrubs, plants or grains, infested or diseased with the aforesaid insects or diseases, the aforesaid officers shall mark or tag in some conspicuous way, all trees, vines, shrubs, plants or grains infested with the aforesaid diseases and shall give notice in writing to the owner or owners, tenants or person in charge of such premises of the condition thereof, and thereupon, if such person or persons so notified shall not within ten (10) days after notification, destroy or treat the same in accordance with regulations and rules of said trustees, a copy of which will be sent on application to any person, then said trustees shall, through their officers, assistants or employes, destroy or treat all such trees, plants, vines, shrubs and grains,
