

stones, plats and all materials used by him, he shall be paid a sum of money not exceeding one thousand dollars, one-half thereof by the County Commissioners of Allegany county and one-half thereof by the County Commissioners of Garrett county, and said commissioners of said counties shall in their levies of taxes next occurring after the passage of this Act, levy the sum of five hundred dollars for each of said counties for the cost of said survey, and they shall pay said engineer such part of said amount as is necessary in full compensation for all his services, assistance, materials and expenses as aforesaid, and the Governor shall require said engineer to give bond with such securities and in such sum as he shall deem proper conditioned to the faithful discharge of the trust reposed in him.

Lines to be  
marked.

SEC. 2. Said engineer shall, as soon as he has surveyed and established the true division line, as aforesaid, permanently mark said line on the ground at its terminal points, and along said line by planting thereon and along the same, suitable stones properly marked to designate said division line so placed as to be not more than one mile apart along said whole line.

Report to be  
made.

SEC. 3. *And be it enacted*, That immediately after the completion of said survey, said engineer shall make a full and detailed report of said survey with the courses and distances of the same and a plat of the same, which report and plat shall be made in triplicate, and one each of the same shall be filed by him with the clerks of the Circuit Courts for Allegany and Garrett counties and one with the Commissioner of the Land Office, and be recorded by said officers in the record books of their said offices, and a copy of said report shall be also transmitted to the Governor, who, upon approval of the same shall notify the County Commissioners of said counties, after which they shall make full payment to said engineer as aforesaid; but nothing in this Act shall be construed to prevent the County Commissioners of either or both of said counties from advancing to said engineer any part of his said compensation as they may see fit, prior to said final payments, upon being satisfied from the progress of the survey that such engineer is entitled to such advance payments, and upon the approval of the Governor of the true made and established line by the surveyor, approved under this Act, the said line shall be and is hereby made the legal and established boundary line between Allegany and Garrett counties, between the terminal points, as established by chapter 212, Acts of 1872.
