

Council, specifying particularly how the said vote shall be taken, whether for a bond issue for water supply and lighting plant, electric, gas or otherwise, or for a water supply alone, or for a lighting plant, electric, gas or otherwise, alone, and by such other notice as the said Mayor and Council may deem necessary and proper.

48M. If the said Mayor and Council should not order such vote to be taken at the election mentioned, then the Mayor and Council or their successors elected under the provisions of this Act may at any time after the said election so to be held on the first Monday of May, 1908, in their discretion, order and direct that such vote be taken, either at any regular election thereafter or at a special election to be held for that purpose, and if such vote should be ordered to be taken by the Mayor and Council at any special election, then the notice hereinbefore required to be given shall be given thirty days prior to said special election in lieu of the two weeks' notice required if such vote be taken at a regular election, and such special election officials shall be appointed and qualify in the same manner as hereinbefore provided for the officials of a regular election for Mayor and Council, and such special election shall be conducted in the same manner and under the same rules as the regular election hereinbefore provided for, and the qualifications to vote on such question shall be the same as hereinbefore provided for elections for Mayor and Council, and offenses shall be defined and punished as hereinbefore provided for offenses in connection with the regular elections aforesaid.

48N. If in pursuance of the preceding sections the Mayor and Council shall order a vote on the question of a bond issue for a water supply and a lighting plant, electric, gas or otherwise, the ballots shall have printed on them the words "for the issue of water and lighting bonds," and "against the issue of water and lighting bonds." If the Mayor and Council aforesaid shall order said vote to be taken on the question of the issue of bonds for a water supply alone, then the said ballots shall have printed on them the words "for the issue of water bonds," and "against the issue of water bonds," and if the said Mayor and Council shall order a vote to be taken on the question of a lighting plant alone, then the ballots shall have printed on them the words "for the issue of light bonds," and "against the issue of light bonds." The ballots to be cast on the question of the issuing of any such bonds shall be separate and distinct from the ballots to be cast for the Mayor and Council, and shall be printed under the supervision of the Mayor and Council, and the expense thereof shall be paid out of the treasury of the said town. The returns of the said elections, whether at
