

warmed and lighted by said State Central Committees, and said polling places shall in all cases be upon the ground floor of a building, and shall be as near the center of the voting population of the precinct and as convenient to the greatest number of voters as may be practicable (not, however, to be within one hundred feet of the polling place appointed under Section 12 of Article 33 of the Code, for the purposes of holding the general election under said article therein) and in no case shall said polling place be held in any building, or part of a building, used or occupied as a saloon, dram shop, pool room, billiard hall or bowling alley, and if no suitable place is found, the State Central Committee for the legislative district or county in question shall provide one. There shall be a separate and distinct polling place, as aforesaid, for the Senatorial primary conducted by each of the political parties aforesaid and such polling place of one political party shall not be within one hundred yards of the polling place of any other political party.

SEC. 3. *And be it further enacted,* That each candidate for the nomination of any political party aforesaid for Senator in the Congress of the United States must file with the chairman of the State Central Committee for the whole State of Maryland of the party to which said candidate belongs, a certificate in writing containing the name of such candidate seeking said nomination, his residence, his business, his address and the political party to which he belongs, and acknowledged by said candidate before an officer duly authorized to take acknowledgments, who shall append a certificate of such acknowledgment; and such certificate of said candidate must be so filed not less than thirty-five days before the date of said Senatorial primary election. Not less than thirty days before said Senatorial primary election it shall be the duty of the chairman of the State Central Committee for the whole State of Maryland of each of said political parties to publish in three daily newspapers in Baltimore city and in one or more newspapers in each county of the State, the fact that such Senatorial primary election shall take place and also the names of the candidates of the political party for which such chairman of the State Central Committee may be acting for the nomination of that party for United States Senator, and also setting forth accurately the location of each polling place of said party for said Senatorial primary, the polling places in Baltimore city to be published in said Baltimore city newspapers and the polling places for each county to be published in the newspaper of county aforesaid; and in each of said publications the date of said Senatorial primary election and the hours during which the polls shall be open shall also be published.
