

contained in the next succeeding section shall be made by the State; provided, that no appropriation shall be made to any high school not on the approved list, and which does not offer, in addition to the academic course, the above named electric course; and, provided further, that the appropriation shall not be made to more than one approved high school in a county, whose enrollment for the year ending July 1, 1907, was less than four thousand pupils; not more than two such schools of a county whose school enrollment for said year was less than seven thousand five hundred pupils; and not more than three such schools in counties whose enrollment for that year was more than seven thousand five hundred pupils; provided, further, that a like appropriation be made to the Baltimore City College, Western High School, Polytechnic Institute and Eastern High School of Baltimore city.

122b. The State Board of Education shall submit to the Comptroller of the Treasury a list of such schools entitled to receive such appropriation on or before the 20th day of August of each year succeeding the passage of this Act; and the Comptroller, after receiving such an approved list, is hereby authorized and directed to issue his warrant upon the Treasurer of the State for the sum of one thousand dollars, payable to the order of the treasurer of the Board of County School Commissioners or Board of School Commissioners of Baltimore city, of the county or city in which said school or schools are located and designated in the report made by the State Board of Education, out of any moneys in the State Treasury not otherwise appropriated on the first day of October of each year for the support of said approved high school to carry into effect the purposes hereinbefore stated.

122c. The county school board receiving this appropriation for one or more schools shall use the same exclusively for the commercial course of the high school department and shall make a detailed report to the State Board of Education annually, on or before July 31st, of the expenditures of the fund, the number of students in high school grades, the number pursuing a commercial course and the salaries paid the teachers of said department.

122d. Any pupil of the county wherein said approved high school is located who has completed satisfactorily all the grade work to and including the ninth-year grade shall be admitted to said commercial course.

122e. Any graduate of the department of pedagogy of any reputable college or university, maintaining a department of pedagogy, that has been approved by the State Board of Educa-
