

counties under the provisions of chapter 280 of the Acts of 1892, shall be maintained and kept in proper repair by the said counties as a free bridge.

19. The cost of maintaining said bridge and keeping it in repair shall be borne equally by Baltimore and Howard counties; and the County Commissioners of said counties are hereby authorized and empowered to levy upon the assessable property of their respective counties such sums of money as may be necessary from time to time to defray said cost in the proportion aforesaid.

20. The future maintenance of the bridge heretofore constructed over the Patapsco river at or near the location of the old Sweetser's bridge by Baltimore and Anne Arundel counties under the provisions of chapter 115 of the Acts of 1904, as also the expenses incident thereto, shall be borne one-third by Baltimore county and the other two-thirds by Anne Arundel county, but the roadways and approaches thereto from either county shall be constructed and maintained by the two counties.

21. The assessor of new and missed property in the Twelfth Election District of Baltimore county be and he is hereby constituted the Inspector of Buildings for said district and as such shall have all the powers and duties hereinafter prescribed; provided, that in case at any time hereafter more than one assessor of new and missed property shall be appointed for said district, the County Commissioners shall at the time of making such appointments designate which of said appointees is to serve as Inspector of Buildings as aforesaid.

22. No building or structure of any kind whatsoever, exceeding in value one hundred dollars, shall be erected or constructed in said district without a permit in writing signed by such Inspector of Buildings, the applicant for such permit to pay to said Inspector the following fees for his services in issuing such permit and his other services under this Act, to wit: For a building to be erected at a cost of one thousand dollars or less, a fee of fifty cents, and for a building to be erected at a cost of over one thousand dollars, a fee of fifty cents for the first thousand dollars, and an additional fee of fifty cents for each additional one thousand dollars or fraction thereof; and any owner, agent, builder or contractor who shall erect or undertake the erection of a building or structure of any kind in said district as aforesaid, without having obtained a permit as aforesaid, shall forfeit and pay to the County
