

prescribed by said board, for a period not longer than twenty-five years, but such grant may, at the option of the said board, provide for giving the grantee the right, and fair revaluation, including in such revaluation the value, if any, derived from the said franchise or right to renewals, not exceeding in the aggregate twenty-five years. Every grant of any such franchise or right shall make provisions, by way of forfeiture of the grant, for the purpose of compelling compliance with the terms thereof and to secure efficiency of public service at reasonable rates and the maintenance of the property in good condition throughout the full term of the grant. The grant shall also specify the mode of determining the valuation and revaluation which may be provided for therein, and the time limitation in which there shall be an exercise of the rights given, and in default thereof for a lapse of the grant.

366. When the grant of a franchise or right is made in compliance with the foregoing sections, the said Highways Commission shall not part with, but shall expressly reserve the right and duty at all times to exercise full municipal control and regulation in respect to all matters connected with said grant not inconsistent with the terms thereof.

367. Nothing in sections 364 to 366 inclusive, shall be construed as affecting any private rights or the right of adjacent landholder as now held and enjoyed by law.

368. All monies received by the Highways Commission of Baltimore county under the provisions of this law shall be applied to the general road and bridge account of the county.

368A. The thoroughfare in the Thirteenth Election District of Baltimore County, leading easterly from the Washington road near Sulphur Spring road to Hammond's Ferry road at Lansdowne, be and the same is hereby made and declared a public highway and county road, and as such shall be hereafter maintained by the Highways Commission of Baltimore county and their successors; who are hereby authorized to ascertain and define the present width of said road and to widen the same to thirty feet or more, in their discretion, by purchase or condemnation of the abutting property.

369. That the County Commissioners for Baltimore county are hereby authorized and required to have erected and keep up finger boards at all public road crossings and at all points where roads divide, to be printed or painted on said finger boards the distance and name of town or village to which said road leads.

370. The Board of School Commissioners of Baltimore county are authorized to establish night schools in said county,
