

shall have the same right to demand the investigation of any source of pollution as provided in this section for owners of private water supplies.

132B. It shall be unlawful to bring the contents of privies or any offal, or deposit the same within half a mile of the limits of any town, or village having more than 500 inhabitants, or within such a distance from any dwelling house outside the limits of such a town or village as to cause a nuisance or danger to the health of any person or persons under penalty of a fine of five dollars for every such offense.

132C. It shall be the duty of the district health officer in all such places as may be supplied with a force for the collection of garbage, to direct the garbage force or some other person whom he may designate, to remove the contents of privy boxes, for which service the said remover of garbage or other person is authorized to receive fifty cents for each box of twelve cubic feet of capacity emptied, to be paid by the occupant of the premises.

132D. The County Commissioners are hereby authorized and empowered to make regulations governing the location and conduct of pig pens and hog pens in the county. It shall be unlawful for any person to keep a hog pen or pig pen within fifty feet of any well, spring, pond, lake, river or stream, the water of which may be used for drinking or cooking purposes, or in violation of the aforesaid regulations in Baltimore county, under a penalty of not less than ten dollars, and the said district health officer shall immediately remove the same.

132E. Any person who shall commit a nuisance by throwing any dead animal or garbage or offal of any kind into any highway, byway or alley, or upon any vacant lot, in any town or village in Baltimore county, or in the vicinity thereof, or who shall fail to remove it within twenty-four hours after receipt of notice from the district health officer, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be subject to a fine of not less than one dollar, nor more than five dollars for each such offense, and shall be requested to pay the cost of removal to the County Commissioners.

132F. Whenever it shall come to the attention of the County Commissioners that any road or street, avenue, alley, byway or highway of any kind used by the public, and whether a county highway or not is in an unsanitary condition, prejudicial to the health of the neighborhood, it shall be the duty of said County Commissioners to cause an investigation of such condition to be made, and if, upon such investigation, the same is found to be in an unsanitary condition and prejudicial to the health of
