

the neighborhood, said County Commissioners shall cause the same to be abated as hereinafter provided.

132G. If upon such investigation it is ascertained that the nuisance complained of originated on lands adjoining or near to such road, street, alley or other highway, said County Commissioners may notify the owner or owners, occupier or occupiers of such lands, or the person or persons in charge or control thereof, to abate the source or sources of such nuisance, and if the same be not abated within the time prescribed in such notice, the person so notified shall be deemed guilty of a misdemeanor and upon conviction thereof be subjected to a fine of not less than five nor more than fifty dollars for each offense. Each day such nuisance shall be continued after the expiration of the period prescribed by said notice shall constitute a separate offense within the meaning of this section.

132H. If, upon such investigation, the origin of such nuisance is found to be uncertain, or such nuisance is found to have been contributed to by a large number of persons, or is the result of inadequate drainage or sewerage facilities at or near the point in question, and in any event is such to endanger health in the neighborhood thereof, and said County Commissioners shall determine it to be necessary in order to effectually and permanently abate such nuisance, to grade, pave or drain such road, street, avenue, alley or highway of any kind, whether a county highway or not, they shall cause an estimate to be made of the cost of such improvement, including the cost of advertising herein provided for and all other incidental expenses, and of the extent to which, if any, owners of land in the neighborhood of such proposed improvement will be benefited or damaged thereby, including in such estimate of benefits and assessment against the county at large or district road fund of not more than one-half the proposed cost of such improvement in proper cases, copies of such statement, together with a notice of the day and hour on which objection to such proposed plan of improvements and estimates will be heard, shall be served on all persons named in such statements at least five days in advance of the date for such hearing or if for any reason personal service of such statement and notice can not be conveniently made on all of such persons, said Commissioners shall cause statement to be advertised at least once in not less than two weekly newspapers of general circulation published in Baltimore county, which publication shall be made at least five days before the date fixed for such hearing, and shall be deemed conclusive evidence of the receipt of such notice. If upon the date set for such hearing there be no objection to such proposed plan or estimates, said Commissioners
