

paragraph to come in at the end of said sub-section of said section 6, authorizing the Mayor and City Council of Baltimore, through the Electrical Commission, to erect in connection with the underground conduits, constructed by said commission, distributing poles or other similar structures, and clothing said Mayor and City Council of Baltimore with power, acting through said Electrical Commission, to compel and regulate the use of said poles and other similar structures by individuals and corporations to the same extent as the Mayor and City Council of Baltimore can now compel and regulate the use of underground conduits by individuals or corporations.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That a new paragraph, headed "Distributing Poles and Other Similar Structures," be and the same is hereby added to section 6, sub-section "Streets, Bridges and Highways," of article 4, entitled "City of Baltimore," of the Public Local Laws of Maryland; said paragraph to come in at the end of said sub-section of said section 6, and to read as follows: "Distributing Poles and Other Similar Structures. To erect and construct through the Electrical Commission, in connection with the underground conduits now in course of construction by said commission, distributing poles or other similar structures; and to compel and regulate the use of said poles or other similar structures by individuals and corporations to the same extent as the Mayor and City Council of Baltimore can now compel and regulate the use of underground conduits by individuals or corporations."

SEC. 2. *Be it further enacted,* That this Act shall take effect from the date of its passage.

Approved March 30, 1908.

CHAPTER 111.

AN ACT to establish scholarships at St. John's College for the fourth legislative district of Baltimore city.

Whereas it is enacted by the Act 1878, chapter 315, section 2, that one male student be provided with board, heat, light, washing and room at St. John's College, Annapolis, Maryland, from each of the counties and from each legislative district of Baltimore city; and

Whereas it is also enacted by the Act of 1894, chapter 208, that two students from each Senatorial district of the State shall be educated free of charge at said college; and
