

of said State, and the said, the Mayor and Aldermen of Frederick, may at any time provide by ordinance for the codification or re-codification of such ordinance as have been passed or may hereafter be passed by them, and for the printing of such codification or re-codification, and the printed copy thereof issued by authority and under the sanction of the Mayor and Aldermen of Frederick shall be legal evidence of the passage of such ordinance and the contents thereof in any court of law or equity in this State, or before any justice of the peace or public official of said State.

SEC. 225B. All ordinances heretofore passed by the Mayor and Aldermen of Frederick now in force, and not in conflict with the provisions of the sub-title of this article, are continued in force until the same are repealed and modified.

SEC. 270B. In addition to the powers conferred upon the Mayor and Aldermen of Frederick, they shall have power to regulate by ordinance, the building and maintenance of parapet and fire walls, smoke flues, fire places, hot-air flues, boilers, smokestacks, chimneys and stovepipes, and to have any such removed, repaired or reconstructed whenever in the judgment of the Mayor and Aldermen of Frederick the same may be dangerous to or menace the property wherein such structures are, or any adjacent or contiguous property, and the expense of alteration, removal, repairing or reconstructing when done by the corporate authorities shall be a lien on the property where such removal, repairs or reconstruction is done. They shall have power to provide for the entry into and examination of all dwellings, lots, yards, enclosures and buildings, cars and vehicles of every description, to ascertain their condition for health, cleanliness and safety, and they shall have power to remove or to require the owner or owners of any buildings, walls or structures that are or may become dangerous to remove them or put them in a safe condition, at the expense of the owner or owners. To provide for and regulate the same construction and inspection and repairing of all public buildings within the city, and regulate the repairs of any buildings already erected or hereafter to be erected in said city.

SEC. 270c. The Mayor and Aldermen of Frederick may also by ordinance provide for the construction of opening, enlarging or straightening of any sewer or drain, public or private property, and shall have power to establish such a sewerage system as may be necessary for the proper drainage of said city, which may be most conducive to the health and sanitation of said city, and shall have power to pass all regulations
