

or lambs injured or killed by dogs, at a flat rate of three dollars per head; provided, that this payment shall not be made when the ownership of the dog which did such killing can be proved. The County Commissioners are hereby authorized to make all rules and regulations covering the custody and disbursement of this special fund.

SEC. 3. *And be it enacted*, That the provisions of this Act shall take effect upon the first day of April, 1908.

Approved April 1, 1908.

CHAPTER 67.

AN ACT to designate and define the boundaries of the fourteen election districts of Garrett county as now existing.

Whereas no Act of the General Assembly has been passed since the formation of Garrett county in 1872, which described or defined the boundaries of all the election districts; the terms of chapter 369 of the Acts of 1874 being very vague and unsatisfactory; and

Whereas many of the original districts have had portions of territory cut from them to form other districts, leaving their present limits without adequate description; therefore,

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That the boundaries of the fourteen election districts now existing in Garrett county shall be as follows:

SEC. 2. District number one (1) shall be known as Swanton district and shall begin on the State line upon the right bank of the Potomac river opposite the mouth of the Three Forks run near Chaffee, and run up the south prong of said run in a westerly direction to where the Mud Bridge crosses said run branch on the Wilson and Kitzmiller county road; then with said road crossing the top of Back Bone mountain to Wilson store, upon the Baltimore and Ohio Railroad; then by a straight line to the head of Deep creek; then down Deep creek to the mouth of Meadow Mountain run; then up Meadow Mountain run to its head; then by a straight line to the head of north branch of Middle Fork run near Buckner Masons; then with said north fork to the mouth of Black Hawk run; north of Tom Ridge; then down Middle Fork run to its juncture with Crab Tall creek, then by a line south 12 degrees east to "Thomas' Dump" on the Baltimore and Ohio Railroad; then westward along said railroad 140 perches to a point 15 perches west of the Frankville depot; then leaving the railroad and
