

the old Moorefield road crossed the said Mason road; then with the old Moorefield road eastward to the summit of the Back Bone Mountain; then with the crest of the said mountain northeasterly to the county road leading from Mountain Lake to Ryan's Glade; then with said Ryan's Glade road to the forks of the road at the M. E. Church; then along the Altamont road to the bridge over Laurel run near the Davis mill; then down said Laurel run to the State line upon the right or east bank of the river near Schell; then up the right or east bank of the Potomac river to its source; then with the State line due north to the beginning at the intersection of Rhine forks of Youghiogeny river.

SEC. 10. *Be it enacted*, That district number nine (9) shall be known as Johnson district and shall begin on the summit of Great Savage Mountain where said mountain is crossed by Mason and Dixon's line and run with the line of Allegany county to where said line intersects Wright's run; then up said run by its west fork to the head thereof; then by a straight line, crossing Savage Mountain to the bridge over Savage run near the John Wilhelm place; then up Savage river to the mouth of Mudlick run; then up said run to a point from which a line drawn due north will pass just west of a point which was formerly known as the Recknor tavern upon the old National pike; then from the above described point, on Mudlick run, due north to Mason and Dixon's line; thence with Mason and Dixon's line due east to the summit of Savage Mountain, the point of beginning.

SEC. 11. District number ten (10) shall be known as Deer Park district and shall begin at the State dam across Deep creek east of Shayesville and run by a straight line to the Burnt School House on Hooppole ridge; then by a straight line to the head of Broad Ford run; then with said run to where it empties into Little Youghiogeny river; then to the Ryan's Glade county road as formerly located east of Mountain Lake park and Loch Linn; then running with the Ryan's Glade road crossing the Back Bone Mountain at Kelso's Gap to the M. E. Church in Ryan's Glade at the forks of the Ryan's Glade and Altamont roads; then along the Altamont road to the bridge over Laurel run near Davis' mill; then down said Laurel run to the State line upon the right and east bank of the Potomac river near Schell; then down the right or east bank of the river to a point opposite the mouth of Lost Land run; then up the north prong of Lost Land run to the summit of the Back Bone Mountain; then along the crest of the mountain in a northeasterly direction to where the county road
