

said judges of elections to vote at such special election upon satisfying the said judges that he or his wife is a taxpayer in such election district, or that he has a valid interest in an unsettled estate upon which taxes are paid in said election district.

177E. That any roads or toll pikes built or reconstructed under the provisions of section 177D of this article shall be done under the supervision of a competent and experienced road engineer, to be employed by said County Commissioners for the purpose and under contract, after advertisement of proposals and specifications, to the lowest responsible bidder, who shall give a bond satisfactory to said County Commissioners for the faithful performance of his contract within a time specified in such contract; provided, that nothing contained in this or the three preceding sections of this article shall prevent the expenditure of the whole or any portion of the proceeds of such special improvement bonds for any election district or districts of said county by said County Commissioners under any present or future State law providing for the improvement of public roads or toll pikes under which the said county is required to pay a part of the cost of such road or roads, or toll pike or toll pikes, if such expenditures are made upon the road or roads, or toll pike or toll pikes, and in the election district, for which they were so voted. All Acts or parts of Acts inconsistent with the provision of this and the three preceding sections are hereby repealed. To provide the clerical force for putting into effect this and the three preceding sections of this article, the treasurer of the county is authorized to employ such assistance as may be necessary at a compensation to be fixed by the said Board of County Commissioners.

Sec. 2. *And be it enacted*, That this Act shall take effect from the date of its passage.

Approved March 23, 1908.

#### CHAPTER 114.

AN ACT authorizing and directing the County Commissioners of Montgomery county to issue bonds to the amount of twelve thousand five hundred dollars for the purpose of building and improving public roads and highways within the Seventh and Thirteenth Election Districts of said county, and to levy and collect taxes in the Seventh and Thirteenth Election Districts of said county for the payment of the said bonds.
