

ence of a deputy commander of the State Fishery Force, whose duty it shall be to see that such seed oysters are transplanted in a proper manner and upon the designated areas.

The deputy commander shall thereupon issue a certificate to the person so transplanting seed oysters, which shall state as accurately as possible the number of bushels transplanted, and shall be serially numbered and substantially in the form following:

.....19....

I hereby certify that Captain.....
of the vessel.....has this day
transplanted upon reserved area located at.....
a cargo of seed oysters estimated to contain.....
bushels.

.....
Deputy Commander.

A duplicate of each certificate so issued shall be forwarded by the deputy commander to the Comptroller of the State Treasury. The expense of catching, removing and transplanting such seed oysters as herein authorized shall be borne by the person to whom such permit and certificate shall have been issued, provided, however, that such expense, to be determined by the Commission but not to exceed ten cents per bushel, shall be reimbursed to him, or his assigns, by the Comptroller, upon the preservation and surrender of his certificate, out of the "Conservation Fund," provided for by Section 135. The commander may act for any deputy commander in the performance of the duties above mentioned.

134. From and after the date designated by the Commission for re-opening of such reserved areas, until the closing of the dredging season then current, oysters shall be caught upon such reserved areas only by dredgers, scrapers or tongers of the State holding licenses for the current season, in the manner now prescribed by law, and subject also to the following special conditions and restrictions, viz:

(1) Oysters caught upon reserved areas shall be subject to a special charge or tax to be fixed by the Commission and to be announced in the advertisement re-opening such area or areas, said charge or tax to be not less than five cents per
