629C. The Governor of the State may from time to time, at the request of the authorities having control and jurisdiction over the jail of any other town or city or of any county in this State, assign to work upon said farm as many of the prisoners confined in the jails under their respective jurisdiction as are physically able to work on said farm and as are available for such work.

629D. The State Board of Prison Control shall provide for the guarding, transportation, lodging, feeding, clothing and medical and other care and attention of all such prisoners, or make such arrangements therefor as it may deem adequate and proper; and may make such rules and regulations as may be necessary or proper to carry out the provisions of this Act.
