

unnecessary use of sewers. No private or semi-public water supply or sewerage installation intended for the use of two or more buildings or premises shall be constructed in said Sanitary District without the person, firm or corporation doing the work having first obtained a permit from said Commission and paid a reasonable charge therefor, and such plant shall then be installed, maintained and operated under such rules and regulations as said Commission may require or devise. Any violation of any of the provisions of this Section shall be a misdemeanor punishable under Section 21 of this Act.

SEC. 11. *And be it further enacted,* That for every water and sewer connection, as provided under Section 9, said Commission shall make such charge as it shall determine to be reasonable, which charge shall be uniform throughout the Sanitary District, subject however to revision annually by the Commission. Said charge shall be paid by all property owners at the office of the Commission before the actual connection with any pipe on private property is made; or any owner so desiring may so pay one-fourth of said charge, in which case the balance shall be paid in three equal annual installments, such deferred payments to bear interest at the rate of 6 per cent. and to be payable at the same time, in the same manner, and subject to the same penalties and methods of collection, as the front-foot benefit charges provided under Section 8. One-half of the revenue, above actual cost, derived from such charges shall be retained by the Commission as a contingent fund for repairs, replacements, or any extraordinary expense in the maintenance and operation of the water supply, sewerage and drainage systems under its control. The remaining half shall be applied by the Commission to the payment of the bonded debt, as hereinafter provided.

SEC. 12. *And be it further enacted,* That all sums collected by said Commission for benefits levied against property for water supply, sewerage and drainage construction, and half of all sums collected by the Commission for water, sewer and drain connections, as provided in Sections 8 and 11, shall be set aside as a separate fund to be known and designated as the "Current Interest and Sinking Fund," from which fund interest shall be paid on all outstanding bonds, and the balance, if any, transferred to the "Joint Sinking Fund Account," as provided under Section 6. Said Commission, in order to determine the amount necessary to be levied under Section 6, shall deduct the amount to its credit in said "Current Interest
