

ture fifteen years after the date of issue, and that levy shall be made by the County Commissioners of Montgomery and Prince George's Counties as may be necessary to pay the interest on and redeem them at the end of such period. The Commission shall be empowered and directed to fix and collect a reasonable charge upon the owners of all improved properties within the area served by its refuse collection and disposal system, said charge to be payable at the same time and subject to the same conditions as the charges for water service, as specified under Section 13. All sums so received by the Commission shall be applied to the maintenance and operation of said system and to overhead expenses of the Commission, but all sums received by the Commission from the sale of materials or products resulting from its system of refuse disposal shall be applied by the Commission to the payment of the interest on and redemption of the bonds issued under this Section, in the same manner as benefit and connection charges are applied to payment on water and sewerage bonds, as specified under Section 12; provided, that if, at any time, said sums so received by the Commission for the sale of materials or products shall be in excess of the total amount necessary to pay all of the interest and sinking fund charges for that year upon the bonds issued under this Section, the Commission shall retain such excess amount and may apply it, in its discretion, to a reduction of the charges herein provided for refuse collection and disposal service, or to the extension of said service.

SEC. 18. *And be it further enacted*, That said Commission may enter upon any State, County or municipal street, road or alley, or any public highway, for the purpose of installing, maintaining and operating the water supply, sewerage and drainage systems provided for under this Act, and it may construct in any such street, road or alley or public highway, a water main, sewer or drain, or any appurtenance thereof, without the receipt or the payment of a charge; provided, that whenever any State, County or municipal highway is to be disturbed the public authority having control thereof shall be duly notified, and provided further that said highway shall be repaired and left by the Commission in the same, or a not inferior, condition to that existing before being torn up, and that all costs incident thereto shall be borne by the Commission.

SEC. 19. *And be it further enacted*, That any employee or agent of said Commission shall have the right of entry, at all
