

SEC. 2. *And be it further enacted*, That this Act shall take effect June 1, 1918.

Approved April 10th, 1918.

CHAPTER 438.

AN ACT to provide that \$2,000 of the sum of \$10,000 appropriated from the general treasury of the State by the Acts of 1916, Chapter 251, for the purpose of building a hospital in Charles County to be known as the Southern Maryland Emergency Hospital, upon the conditions therein set forth, shall, instead of being applied to the building of said hospital, be applied to the establishment of a central colored industrial school in Charles County, in accordance with the provisions of this Act; and providing also for the payment of the remainder of the cost and expense of establishing said central colored industrial school, over and above the \$2,000 to be paid by the State as aforesaid, which remainder shall not exceed the sum of \$1,000, by levy upon the taxable property of Charles County.

WHEREAS, Chapter 251 of the Acts of the General Assembly of Maryland of 1916 appropriated, from the general treasury of the State, the sum of \$10,000 for the purpose of building a hospital in Charles County to be known as the Southern Maryland Emergency Hospital, said appropriation to be available at such time as the sum of \$5,000 had been realized either by private donation or by levy of the County Commissioners of Charles County, or by both, said sum of \$5,000 to be also applied to the building of said hospital; and,

WHEREAS, it is desired that \$2,000 of the said sum of \$10,000 so appropriated from the general treasury of the State, and now standing on the books of the State to the credit of the said proposed Hospital, instead of being applied to the building of the said Hospital, shall be applied to the establishment of a central colored industrial school in Charles County, as authorized by this Act. *Therefore,*

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That two thousand dollars of the sum of ten thousand dollars, appropriated by the Acts of 1916, Chapter 251 aforesaid for the purpose of building a hospital in Charles County to be known as the Southern Maryland Emergency Hospital,
