

of said Engineer; no machinery or equipment for working the roads of said county, whereof the cost exceeds \$10, except mules and harness, shall be purchased or sold without the approval of said Engineer, and no material of any description shall be used upon the roads, bridges or culverts which said Engineer adjudges unfitted for the purpose for which it is to be used.

Sec. 285. The County Commissioners of Prince George's County shall in their annual levy next succeeding the passage of this Act, and in every annual levy thereafter, levy upon the assessable basis of Prince George's county twenty cents, no more no less, per \$100 of such assessable basis, for the use of the roads and bridges of said county. The County Treasurer of said county is hereby directed to report on the first of each month, beginning June 1st of each year, to the said County Commissioners the amount of county taxes collected by him for the month preceding, and on the Tuesday next succeeding the day of such report the said County Commissioners are hereby directed to draw and deliver their warrant on the County Treasurer to the order of the Board of Road Directors for one-half of the sum so reported collected by the Treasurer each month, until the whole amount of money levied for road and bridge uses shall have been paid to the Board of Road Directors. Should the levy for the year 1910 be made before the passage of this Act, then the said County Commissioners, by their warrant on the County Treasurer to the order of the Board of Road Directors, shall pay over to the Board of Road Directors all sums levied for the use of the roads and bridges of said county at such levy, said sums so payable to the Board of Road Directors for the year 1910 to be paid by the said County Commissioners, by their warrants aforesaid, as follows: One-third on or before July 1st, 1910; one-third on or before August 1st, 1910, and the balance on or before September 1st, 1910. The Board of Liquor License Commissioners shall pay over to the Board of Road Directors all moneys collected from liquor licenses, as they are now directed by law to be paid, to the County Commissioners of said county, less their proper expenses as provided by law, and the said Board of Road Directors shall apply the same as other road taxes collected under this act are applied, provided, that the said Board of Road Directors shall annually pay to the proper authorities of incorporated towns in the county, such part of the funds derived from liquor licenses issued to persons dealing in liquor within the limits of said town as now provided by law. And said Board of Road Directors are hereby directed to pay annually to the proper authorities of each incorporated town in the county three-fourths of such part of said road and bridge tax
