

and alleys of said town, and the Town Commissioners of Centreville shall have full power and authority to determine when and where, and in what order and under what streets, roads, lanes and alleys the sewers and drains of said sewerage system shall be constructed or laid, and to make contracts for the construction thereof, and shall have all the powers necessary or appropriate for said purposes and for the accomplishment of the objects thereof.

SEC. 2. *And be it enacted*, That the Town Commissioners of Centreville shall have full power and authority to acquire by purchase, lease, gift, devise or by condemnation in the manner prescribed in Sections 360 to 366, inclusive, of Article 23 of the Code of Public General Laws of Maryland, title "Corporations," subtitle "Condemnation of Property by Corporations," any lands or interest therein in the town of Centreville or in Queen Anne's County, adjacent to said town, which may be needed for the disposal of said sewage or drainage, or for any pipes, sewers, buildings or other works or structures needed for the construction and operation of said sewers or disposal of said drainage.

SEC. 3. *And be it enacted*, That the Town Commissioners of Centreville shall have full power and authority to construct said sewers and drains in or under the beds of any of the streets, roads, alleys and lanes, and in or under any lots or parcels of ground belonging to or which it may acquire, and to connect therewith at the expense of the Town Commissioners of Centreville, or to acquire or cause all owners of property along the line of said sewer or drain to connect therewith, at the cost of said owners, their respective house or building, drains, sinks, wells, cesspools and receptacles of water or sewage, and full power and authority is hereby conferred upon the Town Commissioners of Centreville to provide by ordinance or ordinances when and how such connections shall be made, and the fines and penalties for the failure, neglect or refusal of property owners of houses or other buildings and lands in said town to make or permit such connections, and for injuries to or interference with said sewers, drains, pipes and connections, and said fines and penalties shall be collected as other penalties and fines are collected.

SEC. 4. *And be it enacted*, That whenever said sewerage system shall be in proper working order for receiving and disposing of the sewage or drainage of any property along the line of said sewer, the Town Commissioners of Centreville shall have full power and authority to compel all owners of said property, and it shall become the duty of all such owners, at the expense of said owners of said property, to forthwith
